Walsh, C., Gorman, D., Byrne, P., Larkin, A., Dowling, A., & Malone, J. F. (2008). **Quality assurance of computed and digital radiography systems.** Radiation Protection Dosimetry, 129(1-3), 271-275.

## About GE Healthcare

GE Healthcare provides transformational medical technologies and services to meet the demand for increased access, enhanced quality and more affordable healthcare around the world. GE (NYSE: GE) works on things that matter - great people and technologies taking on tough challenges. From medical imaging, software & IT, patient monitoring and diagnostics to drug discovery, biopharmaceutical manufacturing technologies and performance improvement solutions, GE Healthcare helps medical professionals deliver great healthcare to their patients.

GE Healthcare  
3000 North Grandview  
Waukesha, WI 53188  
U.S.A.

General Electric Company reserves the right to make changes in specifications and features shown herein, or discontinue the product described at any time without notice or obligation. Contact your GE Representative for the most current information.
